May 21st, 2020 - X-Men Season One is a solid introduction to one of the most popular franchises in all of comics and does a fine job of bringing the team's origin story into a modern setting. Writer Dennis Hopeless does a fine job even if he does not take much in the way of risks in setting up the plot and highlighting the main characters.'

### 'x men season one 1c book review reviewing ies

April 16th, 2020 - In X-Men Season One we have mostly the telling of the events around the action of key X-Men adventures right up through Uncanny X-Men 18. It does not include aspects of every story; in fact, it skips a lot, focusing mostly on the X-Men and Magneto and the Brotherhood of Evil Mutants.'
