March 29th, 2020 - the book s dominating narrative device is that baudolino has an uncanny ability to turn up in the proximity of important people at historical turning points and more than

once he may have altered the course of history by whispering opportunely in the emperor s ear or serving as a bridge between the italian locals and the imperial court " **baudolino co uk eco umberto 9780099422396 books**
