June 2nd, 2020 - the
reason for this will
bee clear later on don
t worry about this too
much now just remember
to be flexible about
your old grammar
school idea of a
syllable so let s
start by dissecting a
written syllable in
thai syllable basics
first let s note that
like english the thai
alphabet is divided
into consonants and
vowels'

' the essential thai grammar
concepts to understand

May 31st, 2020 - on the surface
thai grammar is much simpler than
european languages there s no
verb inflection and tenses can
often be shown just using the
words will or already single and
plural nouns are by and large the
same no noun genders subject and
object personal pronouns are the
same and any words that aren t
essential to the meaning of a
sentence are usually optional and
can be omitted' ' **thai**
