*April 20th, 2020 - the himalayas are one of the best play spots on the river for big wave surfing the middle two waves lhotse and k2  
offer the best surfing opportunities annapurna is often just out of reach especially with the faster currents produced by higher water  
levels the last wave everest often has too much of a breaking character to offer really good surfing but is also one of the easiest to  
catch on'*
